JERSEY SHORE ELECTROLYSIS

OFFERS THE PERMANENT SOLUTION

Call for your FREE consultation

- ◆ We are highly trained professionals who are licensed in the state of N.J. and are internationally certified and have graduated from accredited college programs.
- ◆ We are physician recommended.
- ◆ We use scientifically advanced fiber-optics and telescopes for precision work.
- ◆ We use a quality, independently monitored autoclave for sterilization and safety.
- ◆ We use pre-sterilized gold disposable probes for more comfortable treatment and fast healing.
- ◆ We have available an array of topical anesthetics to minimize discomfort.
